

Republic of the Philippines
DEPARTMENT OF HEALTH
OFFICE OF THE SECRETARY

03 February 2016

JANETTE LORETO GARIN, MD, MBA-H

Secretary
Department of Health

Dear **Secretary Garin:**

After evaluating the documents submitted by the proponents pertinent to the requests for inclusion of the below listed medicines in the Philippine National Formulary (PNF), the Formulary Executive Council (FEC) respectfully recommends the **DISAPPROVAL** of the said requests:

1. Cerebrolysin 215.2 mg/mL concentrate solution for IV infusion
2. Parecoxib (as sodium) 40 mg lyophilized powder for IM/IV injection + Sodium chloride 9mg/mL (0.9% w/v) (as diluent)
3. Rebamipide 100 mg tablet
4. Pravastatin sodium 20 mg and 40 mg tablet

Please be informed that the above list was posted for 30 days in the website of the Pharmaceutical Division to accommodate any comment or appeal from the stakeholders and none was received until the set deadline on 19 and 22 January 2016. Thus, the recommendation of the Council to disapprove the medicines still remains.

Attached herewith are the evidence summaries considered by the Council.

For your disposition, Ma'am.

Very truly yours,

For the Formulary Executive Council

ATTY. FROILAN BAGABALDO

Chair
Formulary Executive Council

Recommending disapproval:

KENNETH HARTIGAN-GO, MD

Undersecretary of Health
Office for Health Regulations

Official disapproval of the above medicines:

JANETTE LORETO GARIN, MD, MBA-H
Secretary of Health
