

Republic of the Philippines  
Department of Health  
**OFFICE OF THE SECRETARY**

23 February 2016

**CERTIFICATION**

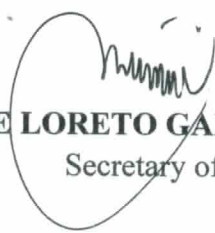

This is to certify the provisional exemption for one (1) year of the following medicine:

Medicine: **Diphtheria-Tetanus toxoid (Td)**  
 **$\geq 2$  IU diphtheria toxoid +  $\geq 40$  IU tetanus toxoid**

Indication: Used for boosting and primary immunization in adolescents and adults.

The product shall only be utilized by the Family Health Office for its school-based immunization program. Likewise, the result of the Adverse Event Following Immunization (AEFI) monitoring during the implementation period shall be provided to the Formulary Executive Council (FEC) to serve as their reference in evaluating the inclusion of the new specification in the Philippine National Formulary.

For compliance and strict implementation.

  
**JANETTE LORETO GARIN, MD, MBA-H**  
Secretary of Health
